

RP SOF Series V Run-Flat Tire

Specially designed run-flat aggressive multi-directional tread for higher clearance on rough terrain.

RP Series V High Load Tactical Run-Flat, Heavy-Duty, Extreme Performance SXS UTV On/Off Road Tire

Designed for Military and Extreme Performance. The RP SOF Series V Tire is specifically designed and engineered for heavier payloads, wheel protection and survivability. The 12-PLY rating offers the operator a unique advantage over the competition.

Inflated or punctured, rely on the tires specifically constructed to keep you moving.

- 12-PLY Run-Flat (MIL PERF STD) capability increases operational survivability
- DOT CERTIFIED
- Specially designed aggressive all-terrain multi-directional tread
- 1200+ lb inflated operational load rating
- Focused design for 50 miles at 30 mph devoid of air at an impressive 500 lb per tire load
- Designed for heavier payloads, wheel protection and survivability

12-PLY UTV Run-Flat

FEATURES

- ▶ RP SOF Series tires have a tougher compound rubber and thicker sidewall than the competition.
- ▶ Added bead-ring protection through a sidewall lip molded extrusion.
- ▶ An aggressive multi-directional tread and top notch construction make this tire incredibly versatile in austere conditions.
- ▶ A wide contact patch gives it the right amount of traction while reducing driver feedback.
- ▶ The reinforced sidewall design provides full protection with its unique wrapped tread design.
- ▶ The specially engineered casing gives a stable ride and increased resistance to external penetration.
- ▶ Reduces the need for mixed vehicle front/rear tire sizes and mixed spares.
- ▶ Uniquely suited for operations in areas comprised of ironwood, shale and other harsh obstacles.
